I have a degree in Computer science from Vigo University.  
In 2017 I got into Cloud Computing and I've been working with:  
Docker, K8s, Istio, Terraform, Helm, Jenkins.  
I have hands-on experience in technical support and system  
administration, especially with GCP.

## Tech stack

Kubernetes  
Terraform  
gitFlow  
Jenkins  
Docker  
Helm  
SQL

## Methodologies

IaC + CI/CD  
Kaizen  
Agile - Scrum  
Git flow  
Peer review  
Merge Requests  
DevSecOps  
FinOps

## Soft skills

Empathy  
Teamwork  
Work ethic  
Critical thinking  
Active listening  
Documentation  
Resourcefulness

## Experience

### FonYou [ Jul 2021 - now ] Cloud Sysadmin

Deployment, operation and support for cloud-based production  
systems, ensuring the availability, performance, scalability and  
security of the systems.

Automation of processes and operations + support and  
maintenance of company-developed applications.

### Google through Webhelp [ Jan 2019 - June 2021 ]

#### Subject Matter Expert

Help customers troubleshoot and fix GCP integrations.

Bug reporting (internal tools), and bug quality review.

Mentor and guide colleagues to improve the support service  
quality, within SLAs and SLOs.

Create, improve and maintain internal documentation.

Internal training for the infrastructure team.

### Google through Sellbytel [ Aug 2017 - Jan 2019 ]

#### Technical Solutions Representative

Triage, diagnosis and solution of issues related to services of  
customers hosted in GCP, through email, phone and Hangouts.

Experience with a Salesforce-based ticketing system.

Technologies: GCE, GKE, VPC networks, Container Registry,  
Deployment manager, Pub/Sub, GCP APIs, IAM & Security.

## Languages

Spanish - native  
English - proficient

## Education

*Computer science degree*  
at **UVigo [ 2012 - 2016 ]**  
Final project  
[pauloba/latch-plugin-mediawiki](#)

*High level trade school,*  
*Computer Programming*  
at **CPR Daniel Castelao**  
**[ 2003 - 2005 ]**

*Professional training course:*  
*Java Programmer and analyst*  
11 months **[ 2011 ]**

## Conferences

***Organizing committee***  
***r2con [ 2017 - 2020 ]***  
Merchandising  
Schedule planning  
Website  
Community manager  
Organizing speakers/trainers  
Audio testing w/music artists

## Experience

**Enxendra Technologies [ Nov 2016 – Apr 2017 ]**

### **Level 2 support and QA unit testing**

Patch deployment, UNIX sysadmin (syslog, tomcat, crontab, ssh).

Java unit testing with Groovy and Spock.

Experience with the Atlassian stack: Jira, confluence, bitbucket.

Technologies: docker, IntelliJ, eclipse, SoapUI, postman, MySQL,  
Java, Ant, Maven, SpringBoot, Groovy and Spock.

### **Telefónica Security Op. Center**

**[ Nov 2015 - Oct 2016 ] Level 2 security technician**

Coordination with CSIRT / CERT, ISPs, web hostings, registrars  
and registrants to stop and prevent global fraud attempts.

Incident reporting: analysis and reports for final customers.

Real time network monitoring and security incident analysis with  
Cisco FirePOWER/SourceFire/FireSight sources for QRadar.

QRadar (IBM SIEM) rule adjustment to fine-tune detections.

Online fraud prevention: referer analysis, bank transfer analysis,  
monitoring of suspicious phishing connections.

Real time analysis and mitigation for Bank Trojans, halcash.

Experience with the SIRIOS ticketing system and ITSM Remedy.

### **National Association for Information Security**

**[ Jan – Sept 2015 ] General Secretary**

The [project](#) was motivated by approval of BOE-A-2015-344

Website sysadmin via Wordpress panel and ssh.

Merchandising design w/Gimp+Inkscape: t-shirts, banners, logo.

## Experience

### Vigo University [ 2010 – 2013 ] Sysadmin

Installation, config. and maintenance of the Campus softw/hard.

Management of LDAP systems, SquirrelMail, print servers,  
network monitoring software.

Restoration and recovery of hardware from old computers.

Network backup management with Clonezilla + Norton Ghost.

Tech support for students and teachers of the Campus labs.

### Self-employment [ 2007 - 2015 ] Teacher

English and mathematics teacher for high school students.
